		 NOTES: The State will not accept late references or references submitted by any means other than that which is described above, and each reference questionnaire submitted must be completed as required. The State will not review more than the number of required references indicated above. While the State will base its reference check on the contents of the sealed reference envelopes included in the Technical Proposal package, the State reserves the right to confirm and clarify information detailed in the completed reference questionnaires, and may consider clanification responses in the evaluation of references. The State is under no obligation to clarify any reference information. 				

SECTION C: TECHNICAL QUALIFICATIONS, EXPERIENCE & APPROACH. The Proposer must address all items (below) and provide, in sequence, the information and documentation as required (referenced with the associated item references). The Proposer must also detail the proposal page number for each item in the appropriate space below.

A Proposal Evaluation Team, made up of three or more State employees, will independently evaluate and score the proposal's response to each item. Each evaluator will use the following whole number, raw point scale for scoring each item:

0 = little value

1 = poor

2 = fair

3 = satisfactory

4 = good

5 = excellent

The RFP Coordinator will multiply the Item Score by the associated Evaluation Factor (indicating the relative emphasis of the item in the overall evaluation). The resulting product will be the item's raw, weighted score for purposes of calculating the section score as indicated.

The Proposer must address all items (below) and provide, in sequence, the information and documentation as required (referenced with the associated item references). The Proposer must also detail the proposal page number for each item in the appropriate space below.

A Proposal Evaluation Team, made up of three or more State employees, will independently evaluate and score the proposal's response to each item. Each evaluator will use the following whole number, raw point scale for scoring each item:

0 = little value

1 = poor

2 = fair

3 = satisfactory

4 = good

5 = excellent

The RFP Coordinator will multiply the Item Score by the associated Evaluation Factor (indicating the relative emphasis of the item in the overall evaluation). The resulting product will be the item's raw, weighted score for purposes of calculating the section score as indicated.

		NOTES: Current or prior contracts with the State are <u>not</u> a prerequisite and are <u>not</u> required for the maximur evaluation score, and the existence of such contracts with the State will <u>not</u> automatically result in the addition or deduction of evaluation points. Each evaluator will generally consider the results of inquiries by the State regarding all contracts noted.		
	B.17.	Provide customer references from individuals (who are <u>not</u> current or former officials or staff of the State of Tennessee) for projects similar to the services sought under this RFP and which represent:		
		• two (2) of the larger accounts currently serviced by the Proposer, <u>and</u>		
		three (3) completed projects.		
		All references must be provided in the form of standard reference questionnaires that have been fully completed by the individual providing the reference as required. The standard reference questionnaire which <u>must</u> be used and completed as required, is detailed at RFP Attachment 6.4. References that are not completed as required will be considered non-responsive and will not be considered.		
		The Proposer will be <u>solely</u> responsible for obtaining the fully completed reference questionnaires, and for including them within the Proposer's sealed Technical Proposal. In order to obtain and submit the completed reference questionnaires, as required, follow the process detailed below.		
		(a) "Customize" the standard reference questionnaire at RFP Attachment 6.4. by adding the subject Proposer's name, and make exact duplicates for completion by references.		
ogs 31-32		(b) Send the customized reference questionnaires to each individual chosen to provide a reference along with a new standard #10 envelope.		
		(c) Instruct the person that will provide a reference for the Proposer to:		
		 complete the reference questionnaire (on the form provided or prepared, completed, and printed using an exact duplicate of the document); 		
		(ii) sign and date the completed, reference questionnaire;		
		(iii) seal the completed, signed, and dated, reference questionnaire within the envelope provided		
		(iv) sign his or her name in ink across the sealed portion of the envelope; and		
		(v) return the sealed envelope containing the completed reference questionnaire directly to the Proposer (the Proposer may wish to give each reference a deadline, such that the Proposer will be able to collect all required references in time to include them within the sealed Technical Proposal).		
		(d) Do NOT open the sealed references upon receipt.		
		(e) Enclose all sealed reference envelopes within a larger, labeled envelope for inclusion in the

SECTION C: TECHNICAL QUALIFICATIONS, EXPERIENCE & APPROACH. The Proposer must address all items (below) and provide, in sequence, the information and documentation as required (referenced with the associated item references). The Proposer must also detail the proposal page number for each item in the appropriate space below.

A Proposal Evaluation Team, made up of three or more State employees, will independently evaluate and score the proposal's response to each item. Each evaluator will use the following whole number, raw point scale for scoring each item:

0 = little value

1 = poor

2 = fair

3 = satisfactory

4 = good

5 = excellent

The RFP Coordinator will multiply the Item Score by the associated Evaluation Factor (indicating the relative emphasis of the item in the overall evaluation). The resulting product will be the item's raw, weighted score for purposes of calculating the section score as indicated.
